Reagrupar Bloques Base Diez (J) Respuestas

Nombre: _____

Fecha: _____

¿Qué número se muestra en cada grupo de bloques base diez?

1.

4 13 20

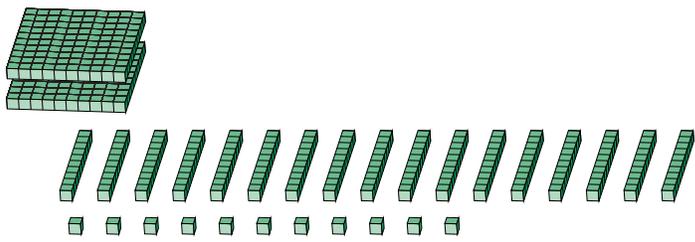

centenas decenas unidades

→ reagrupar

5	5	0
---	---	---

Detailed description: The diagram shows 4 hundreds blocks (each 10x10 grid), 13 tens rods (each 1x10 grid), and 20 units cubes (each 1x1x1). An arrow labeled 'reagrupar' points to a place value chart with three columns containing the digits 5, 5, and 0.

2.

2 17 11

centenas decenas unidades

→ reagrupar

3	8	1
---	---	---

Detailed description: The diagram shows 2 hundreds blocks (each 10x10 grid), 17 tens rods (each 1x10 grid), and 11 units cubes (each 1x1x1). An arrow labeled 'reagrupar' points to a place value chart with three columns containing the digits 3, 8, and 1.
