## Redondear Decimales (J) Respuestas

Redondee cada decimal hasta la centésima más próxima.

19.135    19.14                      25.398    25.4                                      81.017    81.02

50.775    50.78                                      99.848    99.85                                      81.111    81.11

33.591    33.59                                      81.95    81.95                                      78.029    78.03

27.489    27.49                                      96.304    96.3                                      87.548    87.55

23.348    23.35                                      54.629    54.63                                      88.716    88.72

73.306    73.31                                      36.503    36.5                                      64.646    64.65

81.685    81.69                                      15.996    16                                      59.25    59.25

51.765    51.77                                      21.74    21.74                                      28.831    28.83

25.768    25.77                                      77.209    77.21                                      59.3    59.3

92.773    92.77                                      43.598    43.6                                      23.717    23.72
