

# Tablas de Entrada/Salida (F)

Llene los espacios. Desarrolle su trabajo en la columna central.

|         | Regla    |        |
|---------|----------|--------|
| Entrada | $\div 6$ | Salida |
| 36      |          |        |
| 18      |          |        |
| 30      |          |        |
| 42      |          |        |
| 72      |          |        |
|         |          |        |

|         | Regla    |        |
|---------|----------|--------|
| Entrada | $\div 8$ | Salida |
| 72      |          |        |
| 16      |          |        |
| 40      |          |        |
| 24      |          |        |
| 56      |          |        |
|         |          |        |

|         | Regla    |        |
|---------|----------|--------|
| Entrada | $\div 1$ | Salida |
| 4       |          |        |
| 10      |          |        |
| 7       |          |        |
| 12      |          |        |
| 5       |          |        |
|         |          |        |

|         | Regla     |        |
|---------|-----------|--------|
| Entrada | $\div 10$ | Salida |
| 70      |           |        |
| 60      |           |        |
| 50      |           |        |
| 80      |           |        |
| 30      |           |        |
|         |           |        |

|         | Regla    |        |
|---------|----------|--------|
| Entrada | $\div 3$ | Salida |
| 6       |          |        |
| 3       |          |        |
| 12      |          |        |
| 24      |          |        |
| 21      |          |        |
|         |          |        |

|         | Regla    |        |
|---------|----------|--------|
| Entrada | $\div 5$ | Salida |
| 50      |          |        |
| 55      |          |        |
| 15      |          |        |
| 45      |          |        |
| 20      |          |        |
|         |          |        |
