

Secuencias de Manzanas y Gusanos (G)

Recorte y pegue la figura que completa cada secuencia.

1.  

Sequence 1: A series of five apple cores. The first is a full core with a stem. The second is a core with a stem, rotated 90 degrees clockwise. The third is a core with a stem, rotated 180 degrees. The fourth is a core with a stem, rotated 270 degrees. The fifth is a full core with a stem, rotated 90 degrees counter-clockwise. A dashed box is provided for the next item in the sequence.

2.  

Sequence 2: A series of five apple cores. The first is a core with a stem, rotated 180 degrees. The second is a core with a stem, rotated 90 degrees clockwise. The third is a full core with a stem. The fourth is a full core with a stem, rotated 90 degrees counter-clockwise. The fifth is a core with a stem, rotated 180 degrees. A dashed box is provided for the next item in the sequence.

3.  

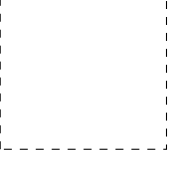

Sequence 3: A series of five apple cores. The first is a full core with a stem, rotated 90 degrees counter-clockwise. The second is a core with a stem, rotated 180 degrees. The third is a core with a stem, rotated 90 degrees clockwise. The fourth is a full core with a stem, rotated 90 degrees counter-clockwise. The fifth is a core with a stem, rotated 180 degrees. A dashed box is provided for the next item in the sequence.

4.  

Sequence 4: A series of five apple cores. The first is a core with a stem, rotated 180 degrees. The second is a full core with a stem, rotated 90 degrees counter-clockwise. The third is a core with a stem, rotated 180 degrees. The fourth is a full core with a stem, rotated 90 degrees counter-clockwise. The fifth is a core with a stem, rotated 180 degrees. A dashed box is provided for the next item in the sequence.

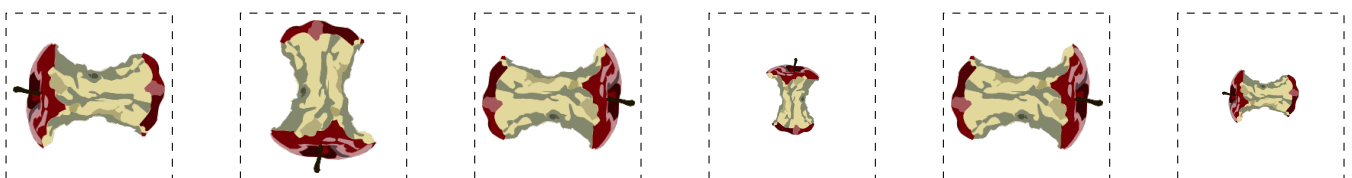

5.  

Sequence 5: A series of five apple cores. The first is a core with a stem, rotated 180 degrees. The second is a full core with a stem, rotated 90 degrees counter-clockwise. The third is a full core with a stem, rotated 90 degrees counter-clockwise. The fourth is a core with a stem, rotated 180 degrees. The fifth is a full core with a stem, rotated 90 degrees counter-clockwise. A dashed box is provided for the next item in the sequence.

6.  

Sequence 6: A series of five apple cores. The first is a full core with a stem, rotated 90 degrees counter-clockwise. The second is a full core with a stem, rotated 90 degrees counter-clockwise. The third is a full core with a stem, rotated 90 degrees counter-clockwise. The fourth is a core with a stem, rotated 180 degrees. The fifth is a full core with a stem, rotated 90 degrees counter-clockwise. A dashed box is provided for the next item in the sequence.
